Let DBS Business Insurance cover your business needs

Keep your business going no matter what happens

Employees are a company's greatest assets. They can make or break your business with their sudden departure. Getting Key Person Insurance can protect against business disruptions and minimise financial impact such as lost revenue and replacement costs.

Attract and retain high quality employees

Set your business apart and use Life Insurance as a valuable benefit to attract top talents and/or reward your loyal employees.

The cash value from your Life Insurance can also be used to provide supplementary retirement income to the employee.

Build income source

Life Insurance policy lets you enjoy higher projected yield versus traditional saving accounts. It also provides guaranteed income stream so you can meet your long-term goals like retirement.

Protect your family

The cornerstone of a business's succession plan is Life Insurance. Safeguard the business you have built and leave a legacy for your loved ones that will secure their future. You can use Life Insurance as part of your estate plan to share your wealth with your heirs including those who are not active within your company.
