

DBS Live Fresh DBS Card – EZ-Link & EZ-Reload Facility

Frequently Asked Questions

For New & Existing Cardmembers

1. When can I start using my new DBS Live Fresh Card?

You may start using your new Card after activating it via either of the following channels:

- DBS iBanking
- Any DBS/POSB ATMs in Singapore with the new PIN mailed to you separately
- Mail-in Card Activation slip sent on the Card Mailer

Card Activation via ATMs is available on Mondays to Saturdays (7am-11pm) and Sundays & Public Holidays (7am-9.30pm). Please refer to the Card Mailer for more details on the activation steps.

2. Can I use my DBS Live Fresh Card immediately after activation?

You may use your Card immediately if you have activated it via DBS iBanking or DBS/POSB ATMs in Singapore. If you have activated your Card using the mail-in Card Activation slip, your Card will be activated within 5 working days upon the Bank's receipt of the slip.

3. What is EZ-Reload?

EZ-Reload is a service by EZ-Link that allows the EZ-Link purse in your DBS Live Fresh Card to be automatically topped-up whenever the card is tapped and the remaining stored value is insufficient for the next transaction.

With each auto top-up, your DBS Live Fresh Card account will be debited with the designated top-up amount of S\$40.

4. How do I enrol for the EZ-Reload facility?

Your DBS Live Fresh is automatically enrolled into the EZ-Reload facility. Simply activate the facility to enjoy the convenience of hassle-free top-ups.

5. How do I activate the EZ-Reload facility when I receive my DBS Live Fresh Card?

You will receive your activation code via SMS from EZ-Link within 10 working days of receiving your Card. You may activate the EZ-Reload facility at any General Ticketing Machine with your Card and the activation code.

6. How do I change the EZ-Reload top-up amount on my DBS Live Fresh Card?

If you wish to change the default S\$40 EZ-Reload amount, please refer to the steps below. Please allow up to 4 weeks for the change to be made.

Step 1:

EZ-Reload Facility activated

Proceed to any TransitLink Ticket Office to terminate the default S\$30 EZ-Reload Facility.

EZ-Reload Facility not activated

Please visit <http://ezlink.com.sg/ez-reload-auto-top-up/ez-reload-update> to request to terminate the default S\$30 EZ-Reload amount. If you encounter any issues, you may also call EZ-Link at 6496 8300.

Step 2:

Please allow at least 7 working days for your account to be updated before reapplying for the EZ-Reload Facility with a new EZ-Reload amount. You may do so by logging on to www.ezlink.com.sg.

Step 3:

You will receive a new activation code via SMS within 3 working days from successful application.

7. Is DBS able to block the EZ-Link purse on my Card in case of theft or loss?

No, DBS only has access to the credit card component.

If EZ-Reload has been activated on your Card, you may call the EZ-Link Hotline to block the EZ-Link purse in your Card. EZ-Link will block the EZ-Link purse on your Card and terminate the EZ-Reload facility within 48 hours. The remaining value of your EZ-Link purse will be refunded back to your credit card account (within 1 month).

If EZ-Reload was not activated on your Card, EZ-Link will not be able to block the card as EZ-Link has no information of the cardholder to block the card and refund its value.

8. What shall I do if my DBS Live Fresh Card is damaged and I need a refund on the EZ-Link stored value?

Please contact the Bank to ensure that the credit card function is already terminated and a replacement Card has been issued to you as the damaged Card will be retained for a refund to be processed. Proceed to any Transit Link Ticket Office for a refund personally with your damaged Card and NRIC/Passport.

If EZ-Reload has been activated on your Card, the remaining value of your EZ-Link purse will be refunded back to your credit card account (within 1 month).

If EZ-Reload was not activated on your Card, an immediate refund in cash can be sought at any Transit Link Ticket Office, for amounts below S\$100.

9. Can I deactivate the EZ-Reload facility if I do not wish to use it on my DBS Live Fresh Card?

Yes.

If you have not activated the facility, you can cancel your application online [here](#).

If you have already activated the EZ-Reload facility, deactivation can be done at any TransitLink Ticket Office with your Card and NRIC/Passport. Should you wish to re-apply for EZ-Reload, kindly wait for 7 working days for your account to be updated before re-application.

Please note that if you have performed one of the transactions below in the past four days, you will not be able to deactivate the EZ-Reload facility. Please wait for another 7 days for your account to be updated, before you deactivate the facility.

1. Activation of the EZ-Reload facility
2. Auto Top-up

3. Settlement of outstanding amount

After deactivation, the remaining EZ-Link value will remain in the EZ-Link card. However, please remember to manually top-up when the value runs low.

10. How can I contact EZ-Link if I require any clarification?

For any enquiries or terms and conditions related to the of the EZ-Link facility, please visit www.ezlink.com.sg or call EZ-Link Hotline at 6496 8300 (Operating hours: 8am to 6pm daily, except Public Holidays).
