

Integrated Supplier Finance

Holistic procurement financing solutions for your suppliers

Working capital solution for your suppliers, supporting the programme with your credit strength.

Offer your suppliers pre-shipment financing against confirmed purchase orders.

Strengthen supplier relationships and enhance channel loyalty.

At a glance

- Pre-shipment: DBS may extend financing up to a pre-agreed level to your suppliers before the goods are shipped to you based on your confirmed purchase orders.
- Post-shipment: DBS may extend financing of the remaining balance to your suppliers after the goods have been shipped and invoices are issued (pre-acceptance) and confirmed by you (post-shipment).
- On an integrated basis, pre-shipment advances are liquidated through post-shipment transactions.

Designed for

- Large corporates procuring locally or globally, with the objective of improving working capital, balance sheet management or strengthening supply chain.

How it works

Your benefits

- **Mitigate your physical supply chain risks by providing an end-to-end working capital solution to your suppliers.**

- **Strengthen channel loyalty and supply chain stability.**

Our solutions

- Avail an alternative source of liquidity to your suppliers, freeing up their existing bank lines.

- Provide sales-linked financing to suppliers.

What makes us different

Why we are different

- An end-to-end supplier finance solution for your suppliers.
- A fully digitised solution through DBS IDEAL.

How it helps you

- Financial support at every stage to support your suppliers' business while helping to minimise your physical supply chain risk.
- DBS IDEAL allows you and your counterparties to manage and track your transactions in an automated and secure environment.
- Immediate access to information, electronic exchange of trade instruments and online initiation of financing requests.
- Access to detailed reports and transaction status anytime, anywhere.
