

Online Account Debit

Drive your online business further

-  **Expand your market with additional check-out options for your online store.**
-  **Sell to your customers without credit or debit cards, or to those who simply prefer not to use cards.**
-  **Know the status of your customer's payment in real-time.**

At a glance

- Online 24x7 payment option for check-out of shopping cart at merchant's website.

Designed for

- Online merchants such as travel agents (flights/hotels), ticketing agents (concerts/exhibitions) and consumer merchandise retailers whose target market include customers without credit or debit cards (e.g. students) or those who prefer not to pay by cards online.
- Online businesses that want finality of payment received with no charge-back risk.

How it works

Your benefits

- **Increase sales by expanding your target customer segments to include 'cardless' customers and those who do not wish to use credit or debit cards.**
- **Eliminate costs associated with handling physical cash.**
- **More secure collection from direct credit of funds into your account.**

Our solutions

- Your online customers can make payments for their online purchases by debiting their accounts with participating banks.
- Electronic collection solution, a cost-effective alternative to cash sales.
- Funds are credited to your account the next day.

🎯 Your benefits

- Quick turnaround for order fulfilment supported by real-time update of successful transactions.
- Protect your profit margin from credit card charge-back when you receive payment in full from online account debit.

🎯 Our solutions

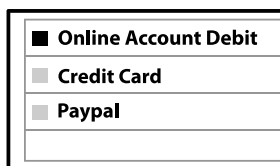

- Real-time updates of transaction status.
- Finality of funds received from online sale settled via online account debit.
