Investment products subject to the European Union ("EU") Packaged Retail and Insurance-based Investment Products ("PRIIPs") Regulation or the United Kingdom ("UK") Consumer Composite

Investments (“CCI”) regime are not intended to be offered, sold, distributed or otherwise made available to retail investors in the European Economic Area (the “EEA”) and/or UK. For these purposes, a retail investor includes a person who is:

(i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, "MiFID II"); or

(ii) a customer within the meaning of Directive 2002/92/EC, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or

(iii) not a qualified investor as defined in Directive 2003/71/EC or in paragraph 15 of Schedule 1 to the UK Public Offers and Admissions to Trading Regulations 2024; or

(iv) not a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as incorporated into UK law by the European Union (Withdrawal) Act 2018.

Investors are to assess whether they are a retail investor in the EEA and/or UK.

Where the investment product(s) (including and not limited to bonds/debentures) are held by DBS (or its nominee) on behalf of the investor, the bank will provide custody services in respect of such holdings in accordance with the terms and services governing the custodian account. Should a credit event occur, the bank will take reasonable steps to forward to the investor any notice or other communication received that calls for any corporate action. As the bank may not be privy to debt restructuring plans and/or other negotiations between the issuer and its creditors (due to the confidential nature of such discussions), the availability and flow of information may be greatly diminished in such circumstances.

The English version of all documents shall apply and prevail over that in other languages that may be provided for your reference.
