FAQs:

Q1 : How do I know if my card has been registered?

A: Once your card has been registered, you will see confirmation message on the screen (refer to screenshots under #4).

Q2: Do I need to register each time before I make a transaction at Sheng Siong?

A: No, you only need to register your card once during the entire campaign.

Q3: Will the discount show on my charge slip? How do I know how much discount I have received?

A: The amount on your charge slip is the actual transaction amount, not including the discount. You will receive an SMS to your registered mobile no indicating the discount amount received (refer to screenshots under #5).

Q4. How many times can I enjoy the promotion?

A: Each eligible registered card can enjoy 1 redemption a day and up to 24 redemptions throughout the promotion period.

Q5. How do I know how many times I have enjoyed this promotion?

A: Please retain the SMS notifications, and check the history for records.

Q6. I paid using my UnionPay Card. Why did I not get any discount? How can I get my discount?

A: The discount will not be awarded in the event that at least one of the conditions of the promotion is not met:

1. Card number of the card used must start with 62 or 81, and must have been registered prior to the transaction
2. Final transaction amount charged to the registered card must be at least S\$50 (after all applicable merchant discounts).
3. Limited to 1 redemption per card per day, and up to 24 redemptions throughout the promotion period.
