Step 2:

Go to **My Profile > Set Alerts**.

Check both **Email** and **Mobile Phone** boxes.

Finally click on **update**.

The screenshot shows the 'Set Alerts' page on the DBS Vickers Securities website. The page header includes the logo and navigation links: Home, Trade, Markets, My Account, and IPO. A 'My Profile' dropdown menu is open, with 'Set Alerts' highlighted. The main content area is titled 'Set Alerts' and contains the following form elements:

- Receive Trade Confirmation Alerts:**
 - Email
 - Mobile Phone
 - Receive an alert for every partial fill (Optional)
- Receive e-Statement Alerts:**
 - Email

An 'Update' button is located at the bottom right of the form. A red speech bubble labeled 'Click' points to this button. A red speech bubble labeled 'Check these boxes' points to the 'Email' and 'Mobile Phone' checkboxes. Another red speech bubble labeled 'Optional' points to the 'Receive an alert for every partial fill' checkbox. The footer contains various links such as 'Rates & Tools', 'Disclaimer & Policy', 'Helpful Links', and 'Market Data From Thomson Reuters'. A search bar is located at the bottom of the page.

Note:

Activation of SMS and Email Alerts will take 1-2 business day.
