The maximum amount which additional DBS Points can be awarded is capped at S\$5,000 spend per calendar month on online flight and/or hotel transactions. All such additional DBS Points will be awarded on the 16th day of the next calendar month. If the 16th day is not a working day, DBS Points will be awarded on the next working day.

3. Local spend is identified as card transactions posted in Singapore dollars, and overseas spend is identified as card transactions posted in foreign currencies. Online flight and hotel transactions are identified as online retail transactions made at merchants with main business activity classified as flights and/or hotels. DBS determines an online retail transaction based on system indicators. Business classifications and system indicators are both decided by the merchants and their bankers, and passed to DBS when the transaction is posted to the Card.
4. DBS Points will not be awarded for the transactions and/or payments which are excluded from the award of DBS Points as set out in the DBS Rewards Programme Terms and Conditions (as may be amended from time to time). A copy of the DBS Rewards Programme Terms and Conditions can be found on [www.dbs.com.sg/iwov-resources/pdf/cards/rewards\\_programme\\_tnc.pdf](http://www.dbs.com.sg/iwov-resources/pdf/cards/rewards_programme_tnc.pdf).
5. For purposes of calculating the DBS Points which the Cardmember is entitled to, spending by both Principal and Supplementary Cardmembers will be consolidated under the Principal Card account. For avoidance of doubt, Supplementary Cardmembers are not entitled to separate DBS Points.
6. Each conversion of DBS Points to miles by Cardmember to his/her designated airline's programme will be subject to an administrative fee of S\$27 (inclusive of GST) which will be charged to the Card. The conversion process will take approximately 1 - 2 weeks.

#### **Annual Fee Waiver and 10,000 Bonus Miles**

1. From the second year and for every year thereafter, the annual fee of S\$194.40 (inclusive of GST) for Principal Cardmembers will be automatically waived with a minimum of S\$25,000 retail spend per Card Year. Principal Cardmembers who enjoy the annual fee waiver will not be eligible for the 5,000 DBS Points in paragraph 2. If the Card is cancelled within each Card Year of the Principal Cardmember's Card account opening date, a fee of S\$194.40 (inclusive of GST) for Principal Cardmembers and S\$97.20 (inclusive of GST) for Supplementary Cardmembers where applicable, will be imposed. For the purposes of these Terms and Conditions, "Card Year" means the 12-month period starting from the date the Card application was approved by DBS.
2. Upon renewal of annual membership and Principal Card annual fee imposed on the Card account, Principal Cardmembers are eligible to receive 5,000 DBS Points (which may be redeemed for 10,000 miles). These 5,000 DBS Points will be credited to the Principal Card account when the annual fee of S\$194.40 (inclusive of GST) is charged. If the annual fee is automatically or subsequently waived, the 5,000 DBS Points credited will be

reversed within 3 working days upon annual fee waiver. If we are unable to perform the reversal of DBS Points for any reason, including but not limited to, insufficient balance of DBS Points in the Principal Card account, we reserve the right to charge an equivalent cash amount (that is, S\$0.0388 per DBS Point or any other prevailing rate as we deem fit) to the Principal Card account to make up for the shortfall in DBS Points, recover any shortfall in DBS Points from any Card Account of the Cardholder and/or take such necessary action as we deem fit to protect our interests and/or mitigate our losses. Such fees and charges may be subject to change at our sole discretion from time to time.
