The Information is not directed to, or intended for distribution to or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction where such distribution, publication, availability or use would be contrary to law or regulation.

Where the investment product(s) (including but not limited to bonds/debentures) are held by DBS Bank Ltd. (or its nominee) on behalf of the investor, the bank will provide custody services in respect of such holdings in accordance with the terms and services governing the custodian account. Should a credit event occur, the bank will take reasonable steps to forward to the investor any notice or other communication received in respect of such investment product(s). As the bank may not be privy to debt restructuring plans and/or other negotiations between the issuer and its creditors (due to the confidential nature of such discussions), the availability and flow of information may be greatly diminished in such circumstances.

Investment products falling within the PRIIPS Regulation (as defined below) are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (the "EEA"). For these purposes, a retail investor means a person who is one (or more) of:

- (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, "MiFID II"); or
- (ii) a customer within the meaning of Directive 2002/92/EC (as amended the "Insurance Mediation Directive"), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or
- (iii) not a qualified investor as defined in Directive 2003/71/EC (as amended, the "Prospectus Directive").

Consequently, no key information document required by Regulation (EU) No 1286/2014 (the "PRIIPs Regulation") for offering or selling the investments or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the investments or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPS Regulation. For this purpose, DBS Group will assess whether the account's beneficial owner (or, in the case of trust accounts, the settlor) is a retail investor in the EEA.

A PRIIP is any investment where the amount repayable to the investor is subject to fluctuations because of exposure to reference values or to the performance of one or more assets which are not directly purchased by the investor.
