Existing DBS iWealth® user?

Log in to your account via your mobile app or a web browser

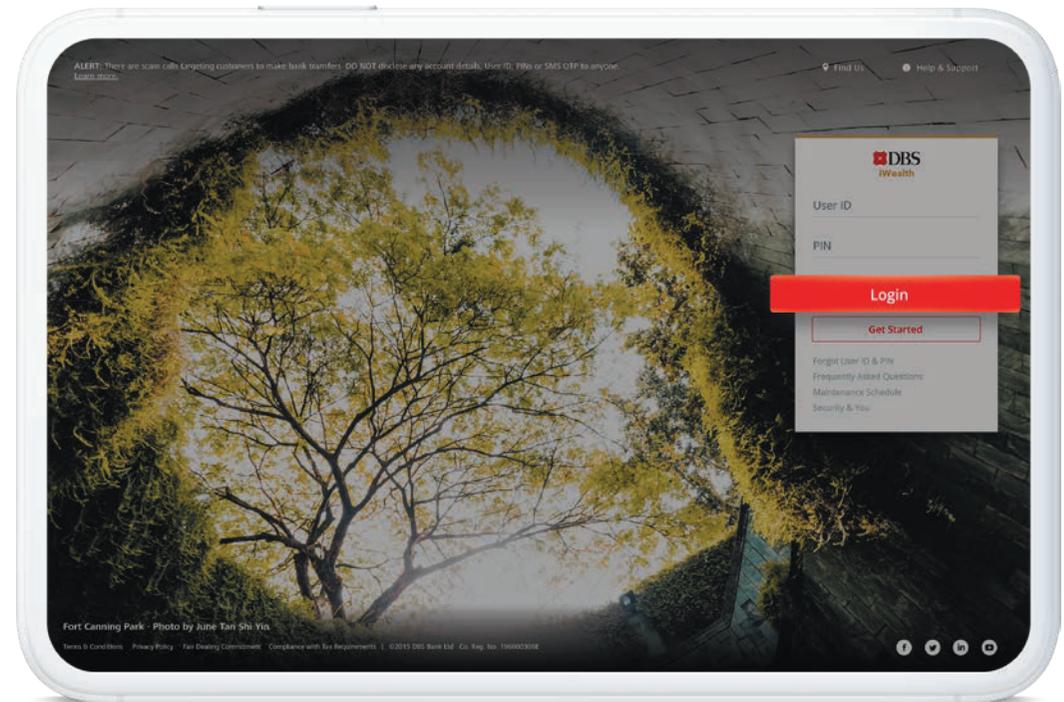

Using iPhone or Android device

Launch the DBS iWealth® app on your mobile device.

Using a web browser on your computer or tablet

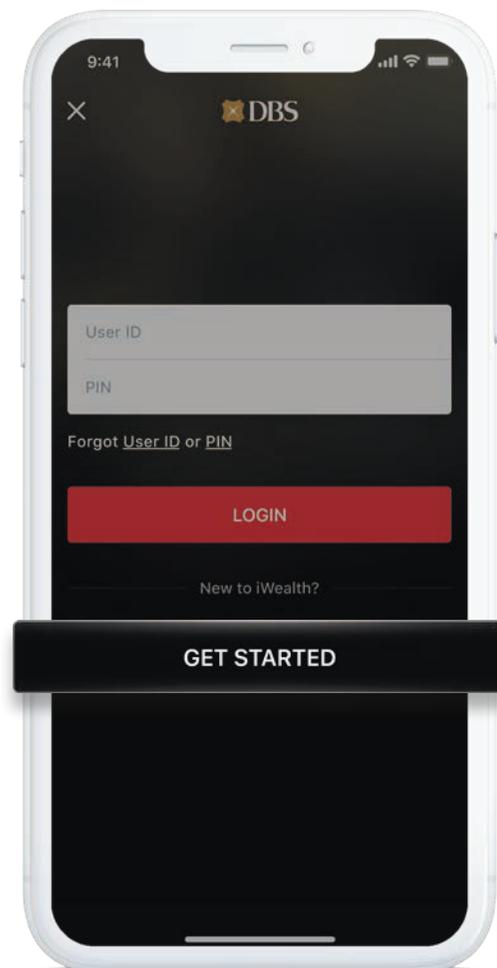

Access your DBS iWealth® account via internet-banking.dbs.com/iwealth.

Don't have a user ID and PIN? Follow the steps below

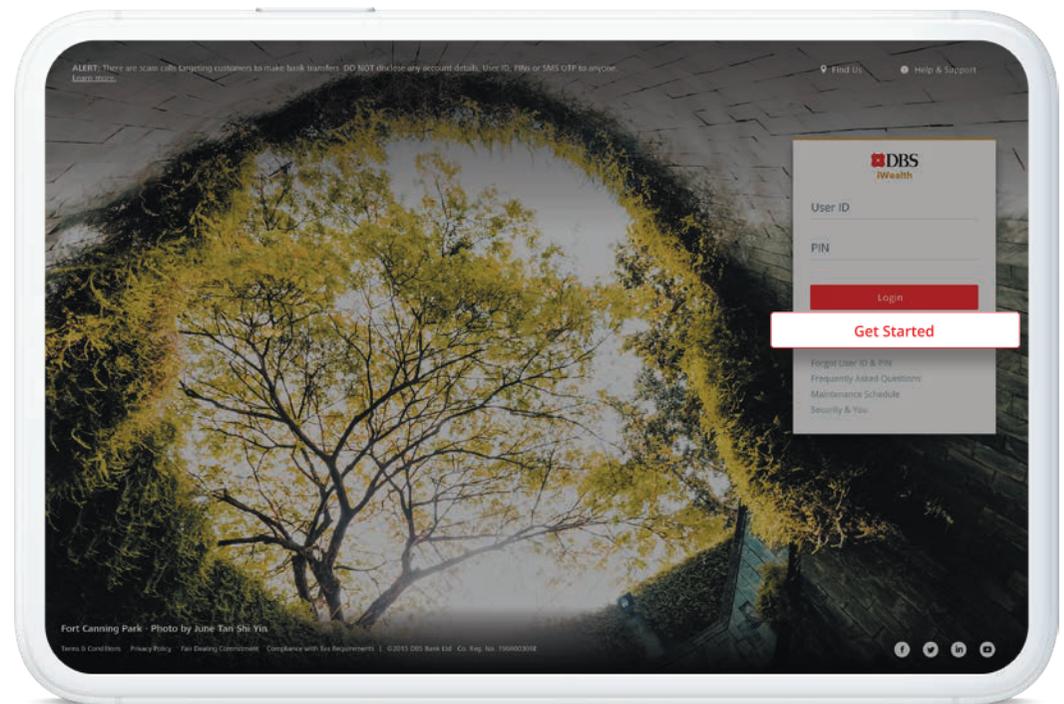

Using iPhone or Android device

1. Download DBS iWealth® app on **Google Play Store**, **Huawei AppGallery**, **Baidu App Store**, or **Apple App Store**.
2. Launch the app and tap **Get Started**.

Using a web browser on your computer or tablet

Visit DBS iWealth® Internet Banking at internet-banking.dbs.com.sg/iwealth and tap/click **Get Started**.

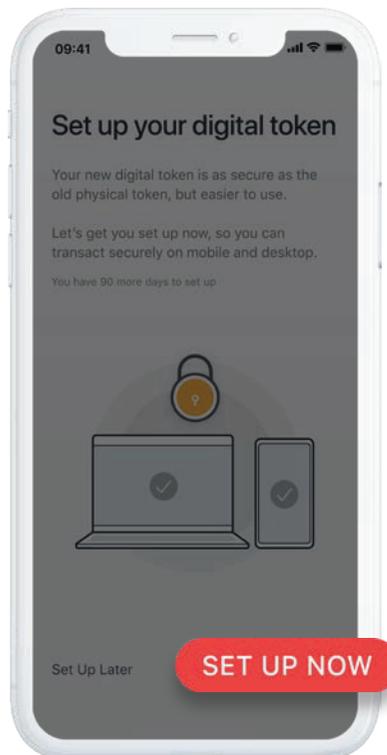

Set up Digital Token on your mobile device

The Digital Token secures all your online and mobile banking transactions from trades to transfers, so you can have peace of mind wherever you're doing your banking.

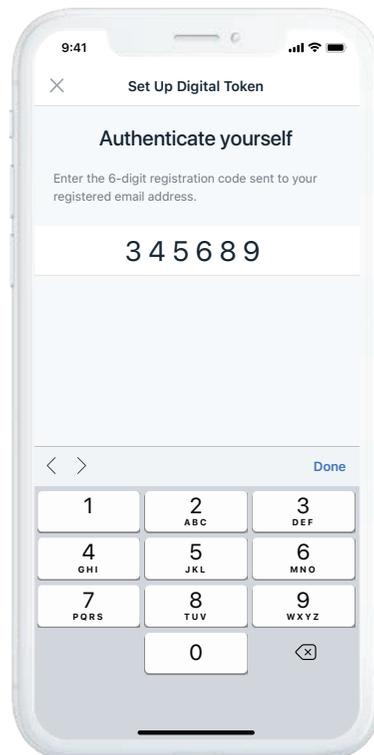

Step 1

Log in to the DBS iWealth® app and tap **Set Up Now**.

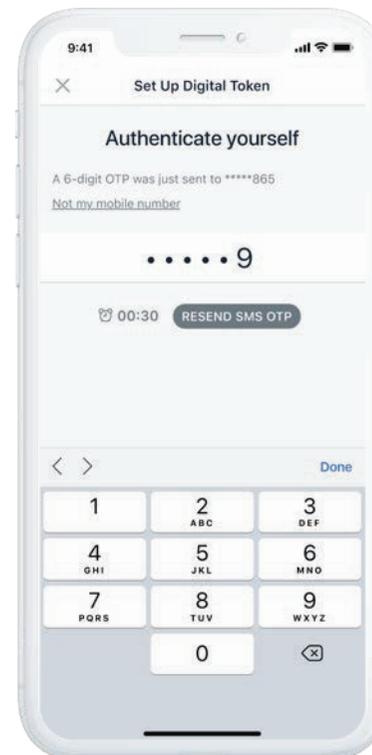

Step 2

Enter the 6-digit registration code sent to your registered email address.

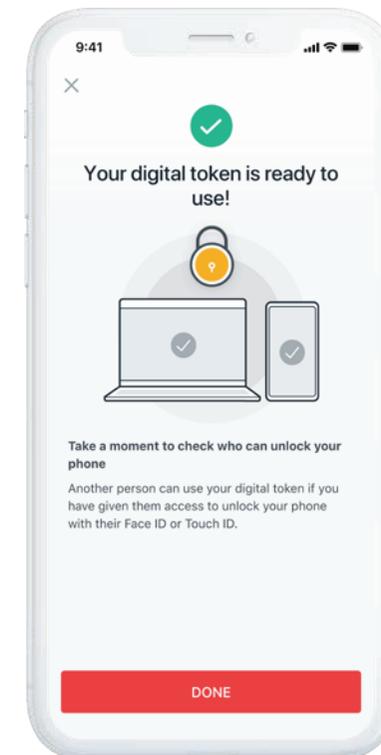

Step 3

Enter the 6-digit One-Time Password (OTP) sent to your registered mobile via SMS.

You're ready for your first transaction.

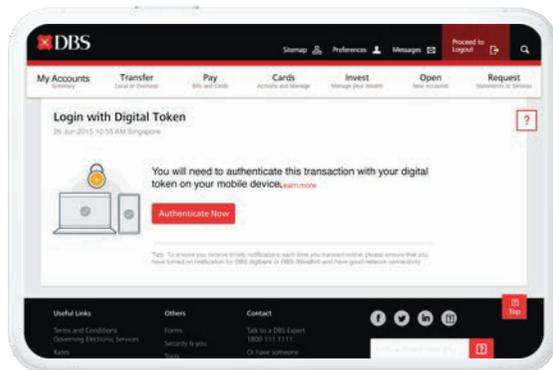

Using Digital Token: Authenticate online transactions in a tap

Doing your banking on a computer or tablet? Follow these simple steps to authenticate your online banking transactions.

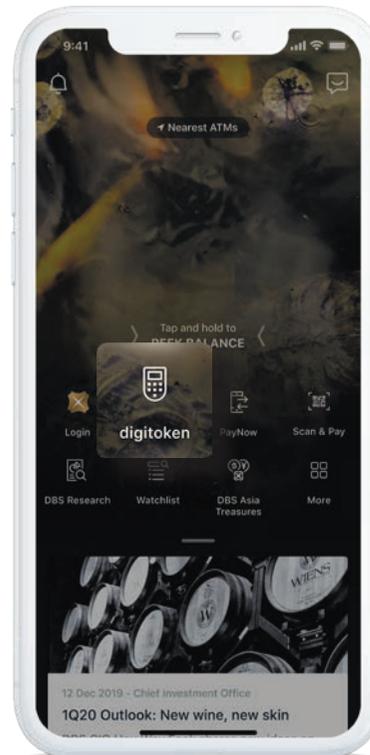

Step 1

Click on **Authenticate Now** on your web browser via laptop or tablet.

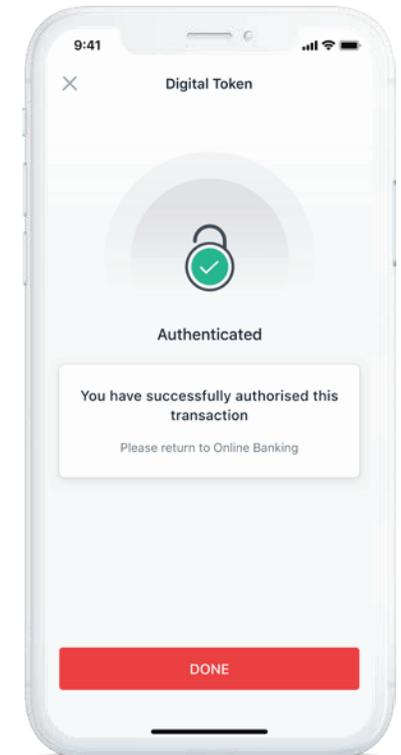

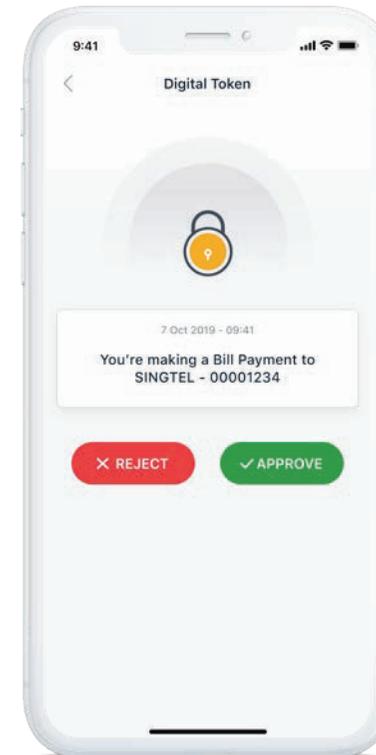

Step 2

Tap the push notification or launch the DBS iWealth® app and tap **digitoken**.

Step 3

Tap **Approve** and you're done.

Note:

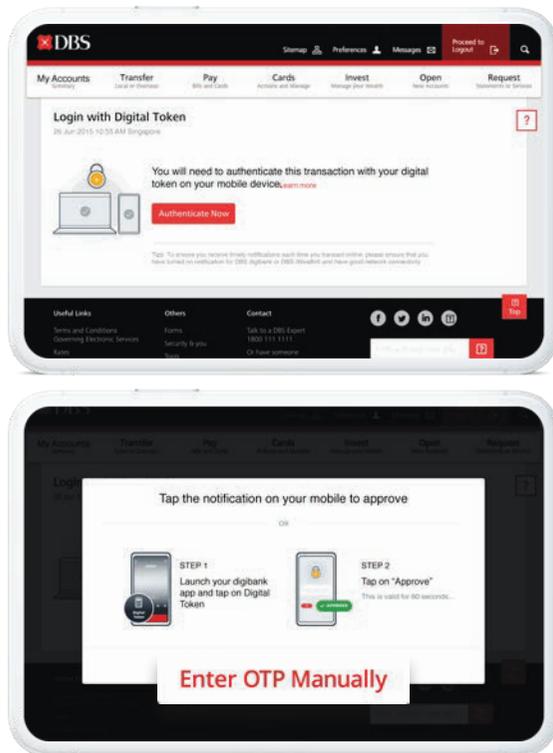

To safeguard your interests, an email OTP will be required for your first high-risk transaction as an additional layer of security.

Using Digital Token: Authenticate transactions with manual OTP

Having issues getting Internet access on your mobile device when travelling?
You can still authenticate transactions easily.

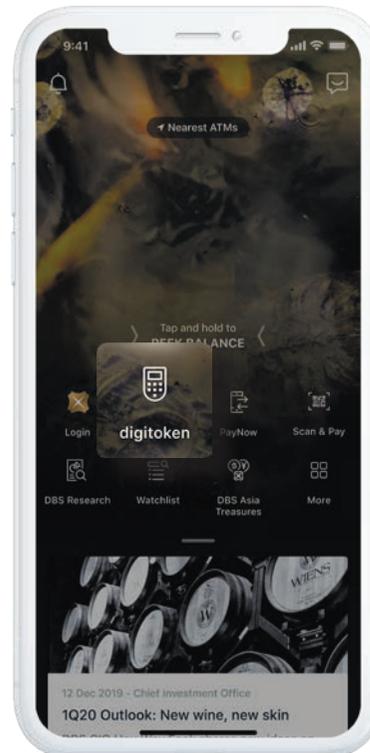

Step 1

Click on **Authenticate Now** and select **Enter OTP Manually** on your web browser.

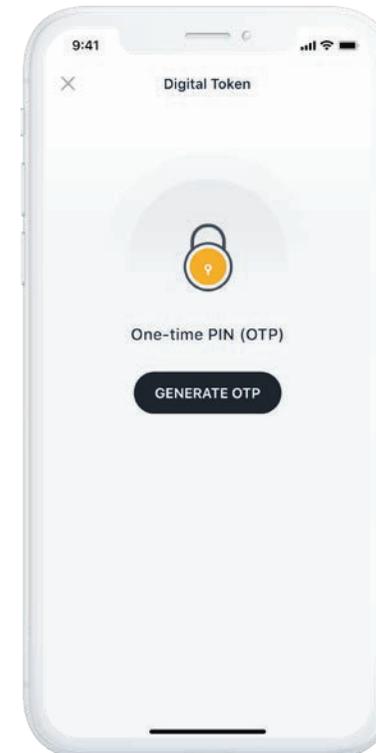

Step 2

Launch the DBS iWealth® app and tap **digitoken**.

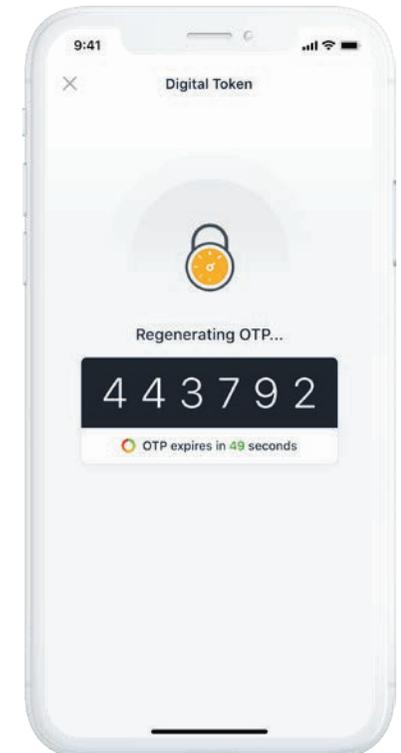

Step 3

Tap button to generate a 6-digit OTP.

Step 4

Enter the 6-digit OTP on your web browser and you're done.

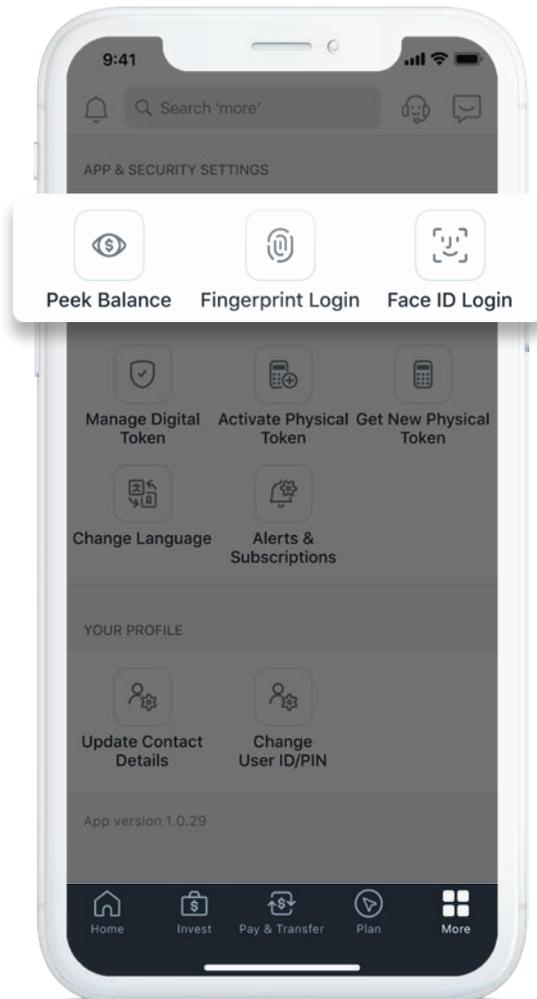

Manage your App & Security Settings

Adjust security settings such as Peek Balance and Face/Touch ID preferences in a couple of taps.

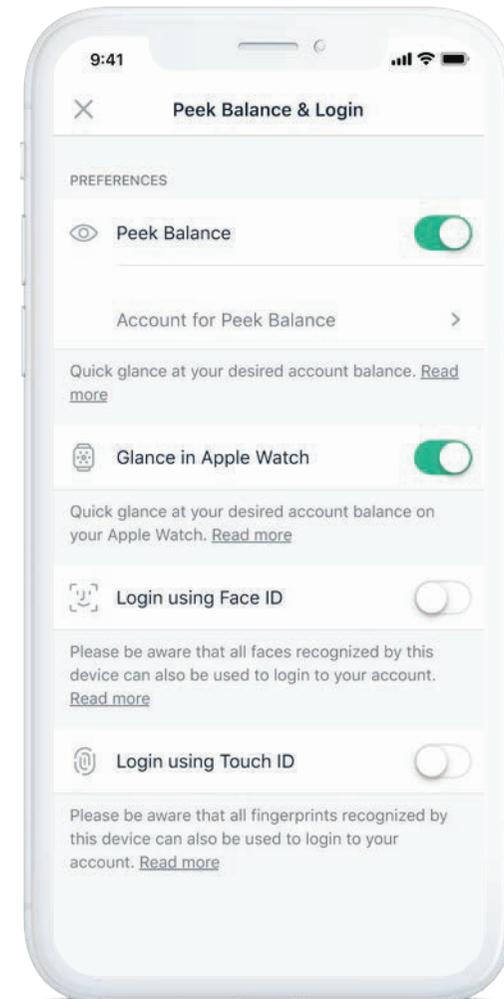

Step 1

To change your security settings, tap **More** and scroll to **App & Security Settings**.

Step 2

Toggle to turn settings on/off.

Navigating the DBS iWealth[®] app

DBS iWealth[®] gives you total control and convenient access to your banking and wealth management needs on one digital platform.

Home

Get an integrated view of your banking, trading and wealth management portfolios.

Invest

Invest in different markets, browse research articles, monitor your watchlists and more.

Pay & Transfer

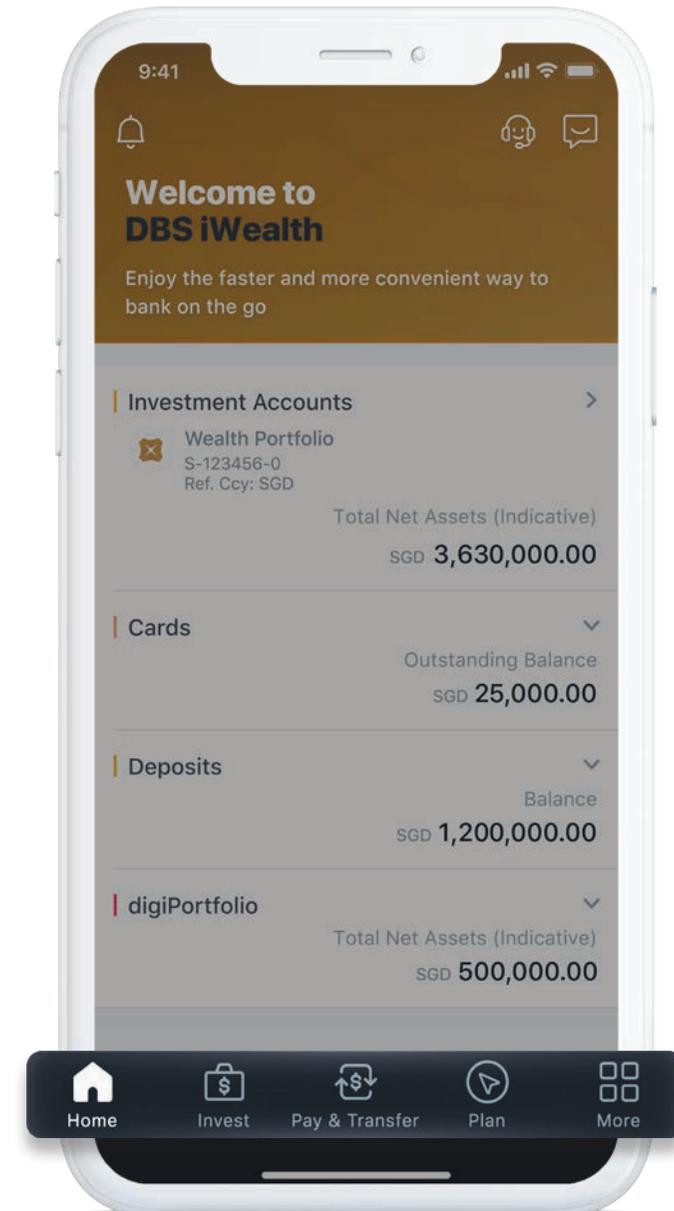

Pay bills, transfer funds, and send money overseas, etc.

Plan

Create a budget and track your financial expenses with NAV Planner.

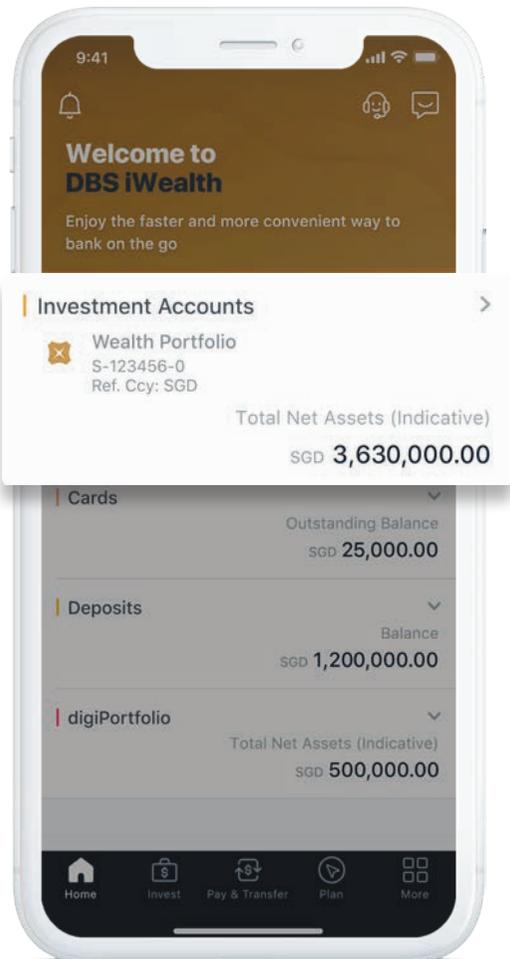

More

Manage your app settings and access other services.

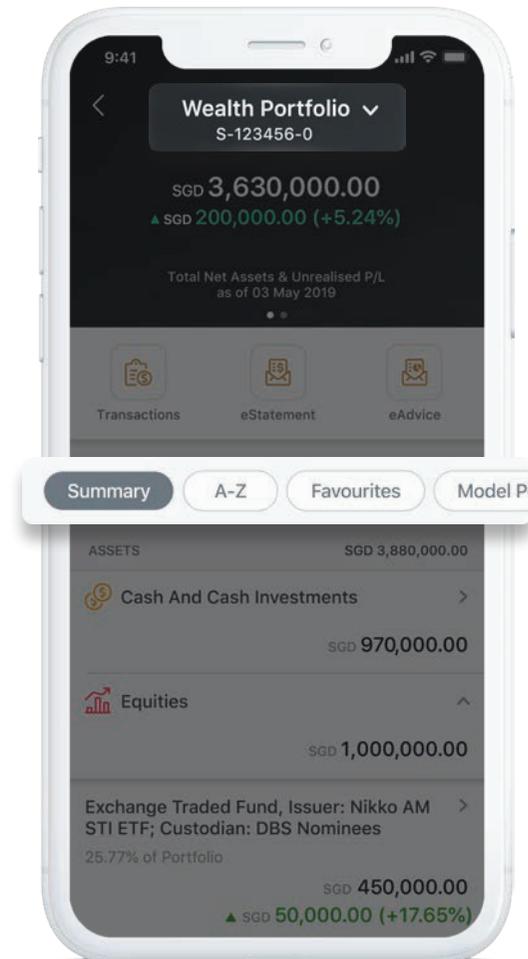

Be in control of your Wealth Portfolio

Get a bird's eye view of your Wealth Portfolio.
Deep dive into your portfolio holdings and transactions. Instantly, anywhere.

Tap the **Investment Accounts** tile to deep dive into your Wealth Portfolio.

Tap **▼** to reveal other portfolios you may have.

Get a detailed breakdown of your portfolio by Asset, Currency and Favourites. Compare your investment holdings by how they're performing against one another and against our DBS model portfolio.

Note:

Actual trading prices may differ from indicative valuations shown and may be subject to liquidity/risk discounts. We do not assume liability for the information and valuations provided.

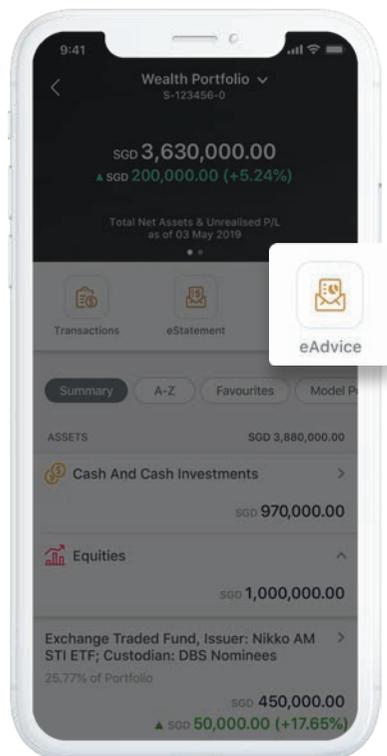

Asset allocation by currencies does not include overdraft in your Wealth Portfolio. All amounts are quoted in portfolio reference currency equivalent, based on an indicative exchange rate.

Access eAdvice and select Corporate Actions

View your eAdvice and submit your Voluntary Corporate Actions (VCA) anytime, anywhere.

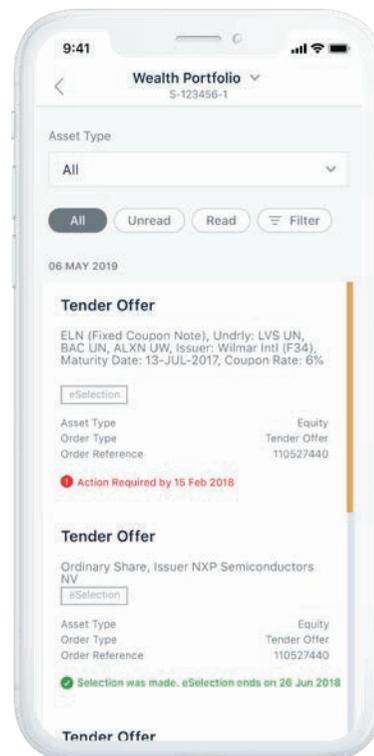

Step 1

Access **eAdvice** from your **Wealth Portfolio** or the **More** tab.

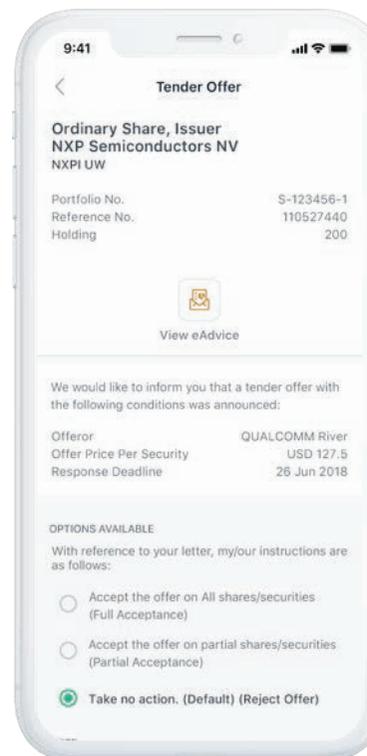

Step 2

Select the Voluntary Corporate Action (VCA) card you wish to act on.

Step 3

Tap **View eAdvice** and choose an action for the VCA event. Verify and confirm your selection.

Notes:

Types of Voluntary Corporate Action events available for online selection include Proxy Voting, Dividend Choice, Tender Offer and Rights Issue.

Seize investment opportunities on the go

With all your investment needs housed under one tab, you can make informed decisions and take action instantly.

Invest

Tap into a full suite of online investment products across Equities, Funds, FX and more.

Watchlist

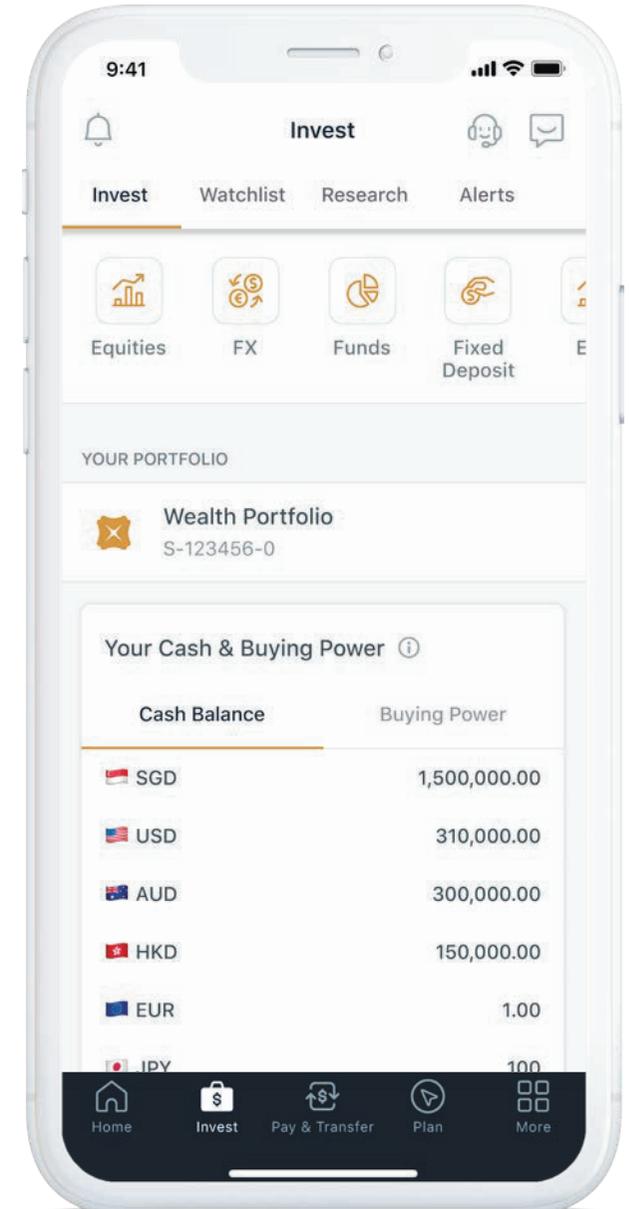

Create customisable lists to monitor your favourite stocks and keep track of market performance.

Research

Get the latest market news, economic trends and industry insights related to your portfolio, specially tailored for you.

Alerts

Stay informed on price movements of your target investment products.

Trade Equities across 7 major international markets

Seize investment opportunities across Singapore, Hong Kong, USA, Canada, Australia, Japan and the UK. Follow these steps to place an equity trade online.

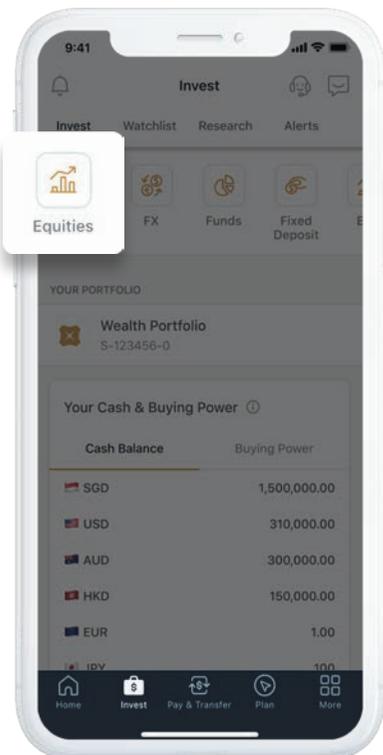

Note:

To trade in US or Canada markets, you need to accept the "Exchange Agreements" via DBS iWealth® Internet Banking.

After you log in, go to **Invest > Equity - Trade > My Account > Market Data for US/Canada**.

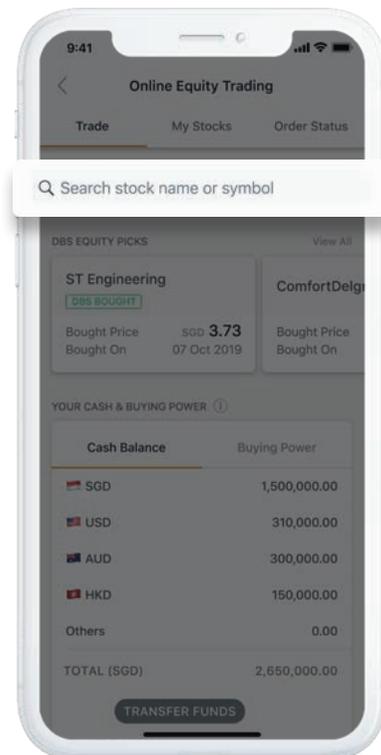

Step 1
