More Efficiency, Less Wastage

Set up **Direct Debit Authorisation (DDA)** digitally via **eGiro**. Corporate applicants can now easily set up DDA on their DBS accounts to make automatic payments in SGD to participating billing organisations (BOs).

Enjoy these 3 key benefits when you go digital:

Reduce paper wastage

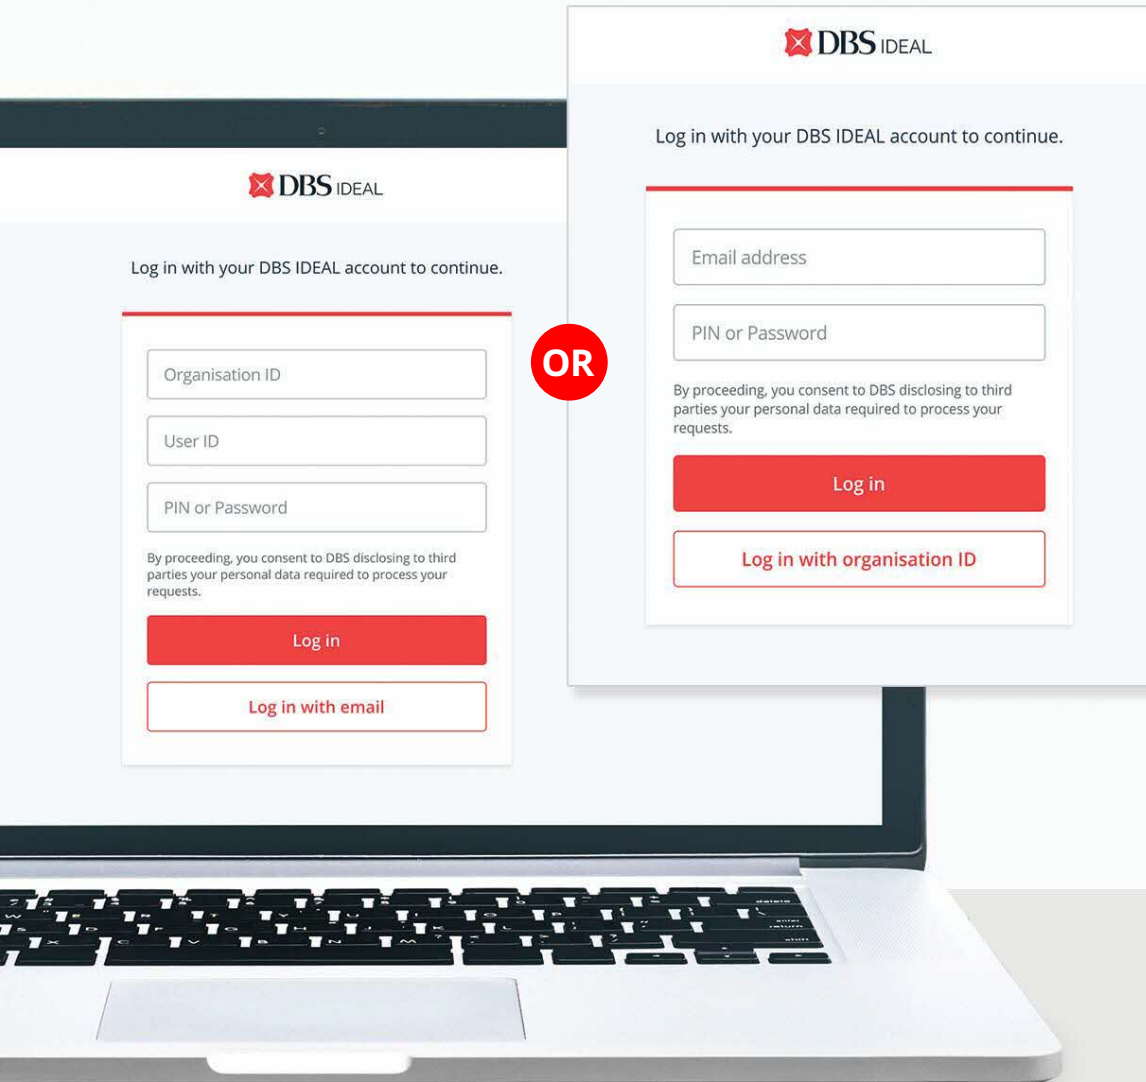

Improve efficiency and turnaround time as it reduces manual processes

Easily monitor DDA status

CREATING A NEW DDA: INITIATING REQUEST

1. **Initiate DDA creation request** from an eGIRO-participating billing organisation's website.
2. **Select DBS bank** and you will be redirected to log in on IDEAL.
3. You will be required to **log in (via ORG ID or email) and authenticate.**

CREATING A NEW DDA: SELECTING COMPANY

Step 1:

Select company you wish to create the DDA for. You will be shown companies you have access to.

Step 2:

Please check box if DDA is created for a subsidiary.

Step 3:

Select subsidiary to create the DDA for. You will be shown subsidiaries you have access to.

Note: IDEAL users with DDA Maker & Approver entitlement will be able to submit DDA creation/termination requests and approve DDA creation/termination requests, respectively.

CREATING A NEW DDA: FILLING IN DETAILS

Please fill in the mandatory fields (Debiting Account, Expiry Date & Payment Limit).

The image shows a laptop displaying the DBS IDEAL Direct Debit Authorisation (DDA) form. The form is titled "Set up Direct Debit" and includes sections for "Debiting account", "Expiry date", and "Payment limit". Two circular callouts highlight specific fields: one for "Debiting account" showing "ABC company digital account" and another for "Payment limit" showing "No payment limit".

Debiting account

ABC company digital account
XXX-XXXXXX-X

Only SGD accounts can be used

Expiry date

Choose an expiry date

Select date

☐ No expiry date

Payment limit

Set a limit (in SGD)

Enter amount

☐ No payment limit
Requires approval from approver

Step 4:

Select the account to set up the DDA for.

Note: only SGD current accounts and SGD wallets of Multi-Currency Accounts will be eligible.

Step 5:

Select expiry date.

The DDA will be valid till this date. If you do not wish to set an expiry date, select "No expiry date".

Step 6:

Select payment limit.

The maximum amount the BO will be able to collect via this DDA. If you do not wish to set a payment, select "No payment limit".

CREATING A NEW DDA: FILLING IN DETAILS

DBS IDEAL Direct Debit Authorisation (DDA)

☐ No expiry date

Payment limit
Set a limit (in SGD)

Enter amount

☐ No payment limit
Requires approval from approvers assigned to highest tier transactions.
