Note:

¹ Where the Bank acts as principal, the Bank and/or any of its associates will benefit from the client's purchase / sale of the product.

² The benefits receivable as described in this column are subject to any pre-sale process and/or documentation providing otherwise.

³ Fees and charges incurred by the Bank and/or any of its associates as well as profit margins, if any, are inherently contained and subsumed into the calculation of the interest rate, interest amounts and/or other variables of the product.

⁴ The "cost yield" refers to the market value of the option sold by the client plus the interest rate of deposit.

⁵ Benefits received by the Bank and/or any of its associates on the client's purchase / sale of this product will vary depending upon a number of factors including but not limited to the notional amount, product tenor, market conditions, liquidity, etc.

⁶ A "bundle of options" refers to a combination of options aggregated in one transaction.

⁷ "Option premium" refers to the market value of the option sold or bought by the client.

⁸ Excluding FX forwards.

⁹ Fees and charges incurred by the Bank and/or any of its associates as well as profit margins, if any, are inherently contained and subsumed into the calculation of the interest rate, price, interest amounts and/or other variables of the product.

¹⁰ This relates to any rebate, commission or fee receivable by the Bank and/or any of its associates from the issuer (and is in addition to the spread described in the category below under "Bonds / Fixed Income (Primary and secondary market)").

¹¹ A distressed bond generally refers to a security of a company or a nation's central bank that is (i) in default and/or the issuer of which is under bankruptcy protection, or (ii) in a distressed situation and at risk of default.

Section B: The Bank acting as agent and not as advisor or principal to the client

| Type of Investment / Product | Monetary and/or non-monetary benefits receivable by the Bank and/or its associates ¹² |
|--------------------------------|--|
| Investment Funds ¹³ | Up to 70% of the management fee receivable by the fund house. ¹⁴ |

¹²The benefits receivable as described in this column are subject to any pre-sale process and/or documentation providing otherwise.

¹³The Bank and/or its associates may additionally receive commissions, rebates and other fees from the product issuer and/or fund house. In addition, the Bank and/or any of its associates may receive marketing sponsorship from the product issuer and/or fund house.

¹⁴The management fee receivable by the fund house is disclosed in the relevant offering documentation.

Section C: The Bank acting as referrer / distributor to the client

| Type of Product / Service | Monetary and/or non-monetary benefits receivable by the Bank and/or its associates |
|--|--|
| Insurance (Direct model) ¹⁵ | The Bank receives the amount equivalent to the "Total Distribution Cost To-Date" as set out in the "Benefit Illustration" section of the insurance policy. |

¹⁵The direct model involves the Bank making a direct sale to the client of the third party insurance policy. The Bank acts in the capacity as distributor.

Important Notes:

1. The Bank is an affiliate of DBS Group Holdings Ltd. The Bank may act as both issuer and distributor of a Structured Note and/or other investment product. The client, in choosing to transact in the product, acknowledges and accepts the aforementioned notwithstanding the Bank having Chinese Wall policies.
2. In cases of early termination of an investment product before its maturity, the client may receive less than the principal amount initially invested or potentially lose the entire principal sum invested in the product. In addition, there may be administrative fees, charges and, if applicable, Premature Termination Costs (as defined in the Terms and Conditions) imposed in connection with the early termination of the product.
